mara

A detail of the intuitive hooking system which allows the union of tables.

/ GATE TRAINING

Flexible and dynamic training

Training spaces become flexible and dynamic, as well as shared. Gate Training is a collection of functional, light and handy tables allowing to fast reconfigure a training room into a coworking space or a classroom. Easy to assemble, Gate Training tables can be joined and aligned in rows.

The small size combined with the castors practicality, make this table an ideal solution for the community: in schools, universities, libraries, training rooms and meeting rooms.

Gli spazi destinati alla formazione diventano flessibili e dinamici, oltre che condivisi. Gate Training è una collezione di tavoli funzionali e maneggevoli che permette di assecondare veloci configurazioni degli ambienti, per passare da training a studio o coworking. Facili da movimentare, grazie alle pratiche ruote, possono essere uniti ed allineati.

Le ridotte dimensioni unite alla praticità delle ruote lo rendono una soluzione ideale per la collettività: nelle scuole, nelle università, nelle biblioteche, sale training e meeting room.

Gate Training small (288)
with black powder coated
frames and tops.

Gate Training is certified
UNI EN 1729 as a school desk.

Stackable and available
