70'S SEVENTIES

I colori appaiono come uno strappo al rigore minimale, dando allo spazio un aspetto fluido, fatto di motivi monocromatici in movimento, perfetto per mettere in risalto le diversità di ogni oggetto. Attraverso 70's - Seventies, i vostri ambienti si tradurranno in qualcosa di inequivocabile e senza tempo.

Tearing colours away to minimal rigour opening to more fluid spaces, made of monochromatic waving shapes, adapt to highlight different object sides. Through 70's your environments will result in something definitive and endless.

Design essenziale perché ogni dettaglio sia al suo posto e tutto sia indispensabile.
L'importanza di lavorare in un ambiente raffinato ed esclusivo, in cui poter incontrare, decidere e risolvere qualsiasi situazione con la certezza di non trascurare nulla.

Essential design so that each detail is in its place and every item is indispensable.
The importance of working in an elegant and exclusive environment, in which you can meet, discuss, and resolve any situation with the certainty of not leaving anything aside.

A volte basta un singolo elemento per valorizzare un intero ambiente, ancora più unico se circondato da librerie e pareti che, nei colori e nei materiali, ne esaltano l'importanza e ne confermano l'autorevolezza.

At times it takes just one single element to enhance an entire environment, even more unique if surrounded by bookshelves and walls which, in the colours and materials, emphasise its importance and confirm its authority.
